

Spend the summer at Wootton!

All camp activities take place in the Wootton auditorium and surrounding classrooms. Whether your child is an experienced actor, a shy kid, or someone who simply entertains all, this is definitely the camp for them!

Profits from this camp go to support the Wootton Patrons of the Arts organization that supports all of the Arts and Humanities programs at Wootton. Prior grants from Patrons to Wootton programs have included special guest artist's fees, field trip subsidies and new musical instruments.

Drama Camp at Wootton HS

Mrs. Speck and Drama Camp are back at Wootton for another exciting summer! Each session of Drama Camp features creative dramatics, theatre games, short plays, and an arts and crafts activity each day. The week-long session will culminate with a special Friday performance for parents at 2:00pm!

Students can choose to take Session 1 or 2 (or both). Similar activities will be done each week, but the culminating performances will be different.

Trained high school counselors from many of the Wootton productions will work under the guidance of Drama Director Mrs. Jessica Speck to make truly memorable experiences for your children!
