

**Spend the summer at Wootton!**

All camp activities take place in the Wootton auditorium and surrounding classrooms. The areas are all air conditioned, however, brief activities may take place outside. Whether your child is an experienced actor, a shy kid, or someone who simply entertains all, this is definitely the camp for them!

Profits from this camp go to support the Wootton Patrons of the Arts organization that supports all of the Arts and Humanities programs at Wootton. Prior grants from Patrons to Wootton programs have included special guest artist's fees, field trip subsidies and new musical instruments.

## Musical Theatre Summer Intensive at Wootton HS

### Daily Schedule\*

9:00 - 10:30	Warm-Ups, Theatre Games and Choreography Rehearsal
10:30 - 10:45	Snack (Juice, Crackers, Fruit Provided)
10:45 - 12:45	Singing Rehearsal or Tech Assignment Work
12:45 - 1:15	Lunch (students should bring a bag lunch)
1:15 - 3:00	Rehearsal and Blocking of Performance

**Casting will be done on the afternoon of Day 1 of Camp. All enrolled students will be cast in one or more roles.**

*PLEASE NOTE that to maximize the experience for all campers and offer as many featured role opportunities as possible, the total students enrolled in camp will not exceed 30, which may mean that registration will end earlier than in previous years and prohibit late registrations.*

We are very excited to return with our third summer of musical theatre at Wootton for middle school students after a wildly successful first year in 2016.

This comprehensive camp will culminate in two performances of *Freaky Friday One Act Edition*—a shorter version of Wootton’s 2020 Spring Musical *Freaky Friday*. Enrolled students will learn many of the same songs and choreography and work with the actors and technicians from the Wootton production.

Trained high school counselors from many of the Wootton productions will work under the guidance of Wootton Directors Jessica Speck and Keith Schwartz to make truly memorable experiences for your children!

In addition to learning the material specific to the performance, campers will have the opportunity to learn about lights, props and costumes to support the show.
